PAIN-FREE Laser Hair Removal at Laser Beautique

Having to shave your legs and underarm every day? Having to "grow" your bikini line so you can have a painful wax before you go on holiday? Or do you suffer from embarrassing facial hair?

Getting rid of unwanted hair is a hassle we can all do without!

Hair removal often triggers images of unpleasant, painful, time consuming, and hair-raising experiences, but not anymore. The New Revolutionary Pain-Free Laser Hair Removal is here.

The Laser Beautique transforms hair removal into an enjoyable experience! A new ERA IN HAIR REMOVAL has arrived - As seen on the famous American TV show "The Doctors".

Imagine a life free of unwanted hair. No more waxing, shaving or plucking! Laser Hair Removal makes this dream a reality.

At The Laser Beautique we are proud to present THE FIRST Revolutionary PAIN-FREE Laser Hair Removal Treatment which is the first treatment that:

- ~ Is PAIN-FREE
- ~ Can treat Asian and Black skin types safely and effectively
- ~ Allows patients to tan between treatments where conventional lasers caused pigment

Available at all The Laser Beautique clinics. For more information or to book your Free Consultation & Test Patch please contact
