

Lovers special with Laser Beautique

Valentines Day might be over, but the month of love is not...

Laser Beautique has launched a new series of 'near infrared therapeutic treatments' using cutting edge technology that claim to relieve any ailments that you have at an increased speed.

So if your loved one has any aches and pains, muscular or sports injuries, you can give them the perfect gift to relieve this.

Click [here](#) for more info.

Did you know?
